### ***USG Commitment to a Civil Campus Climate***

**12 September 2018**

**Whereas,** The Kent State Undergraduate Student Government 2018-2019 asserts its commitment to a safe, equitable, and responsible campus climate in the way of political expression; and

**Whereas,** USG commits to an agenda in which promotes civil responsibility and discussion among all students; and

**Whereas,** USG will organize regular panels, debates, and spaces to discuss issues with the general theme of political talks with the purpose of empathizing and understanding students with backgrounds unlike ours; and

**Whereas,** USG is disappointed by the state of political divisiveness in the country and chooses to actively work toward a much more pragmatic and respectful climate in which advocates for unity and fairness; and

**Therefore, Let it be resolved by the Undergraduate Student Government, Kent Campus, acting in full session, that Undergraduate Student Government:**

1. Asserts its 2018-2019 commitment to improve the campus political climate.
2. Pledges to host regular political talks.
3. Organize a GOTV campaign in which will promote civic duty, dissect issues in which directly affect students, organize early voting and absentee drives, and actively work to register all Kent State students to vote.
